## About Our COMPANY

Chries Real Solutions Company Limited is a diversified agribusiness and investment solutions company based in Tanzania. We specialize in high-quality agricultural production and exports, with a strong focus on sustainable farming practices and international trade. In addition, we provide real estate investment opportunities through land acquisition and sales, supporting investors who seek to establish ventures in Tanzania.

### Our MISSION

To connect Tanzania's rich agricultural resources and investment opportunities with international markets, while ensuring quality, transparency, and sustainable growth.

## Our **VISION**

To be a leading and trusted provider of agricultural exports and investment solutions from Tanzania to the global market.

## Our **STRATEGIES**

---

To deliver premium-quality agricultural products to international clients.

To promote Tanzania's agricultural potential on the global stage.

To provide investors with secure and profitable land opportunities all over Tanzania

To build lasting business relationships through transparency and efficiency.

# OUR BUSINESSES

## 1. AVOCADO FARMING

We cultivate fresh, organic avocados in Tanzania's fertile regions, specifically in Njombe region ensuring high yield and export-ready quality. Our avocados are carefully harvested and prepared for international markets.

## 2. EXPORT OF COCOA BEANS

Sourcing premium-grade cocoa beans from Tanzania, specifically Mbeya region. we supply international buyers with consistent quality for chocolate and confectionery industries.

### 3. EXPORT OF GREEN COFFEE BEANS

We partner with local farmers and Tanzania Coffee Board to process and export high-quality Arabica and Robusta coffee beans to meet the growing coffee demand in the global markets.

### 4. EXPORT OF HONEY

Our natural Tanzanian honey from Tabora and Katavi natural forests is renowned for its purity and taste. We export honey that meets international food safety and quality standards.

# OUR BUSINESSES

## 5. REAL ESTATE (BUYING AND SELLING LAND)

We assist investors in acquiring and selling land in Tanzania, particularly for agribusiness, real estate development, and industrial projects. Our services include due diligence, legal support, and investment facilitation.

## 6. MINING

We provide comprehensive, professional, and ethical mining sector services. From technical support, licenses facilitation, local content management, to camp building and management, we ensure your mining operations are compliant, efficient, and sustainable

## 7. CHARCOAL BRIQUETTES PRODUCTION

We produce high-quality eco-friendly charcoal briquettes designed to deliver efficient, affordable, and sustainable energy solutions for households, businesses, and industrial users.

## TARGET MARKET

- International buyers Seeking reliable agricultural exports.
- Local and foreign investors interested in land acquisition and industrial development in Tanzania.
- Partnerships with government agencies, NGOs, and business groups promoting agribusiness and trade

## Why CHOOSE US?

Strong networks with local farmers and cooperatives.

Commitment to quality and compliance with export standards.

Market knowledge and experience in cross-border trade.

Dedicated team providing end-to-end solutions for investors.
